“The eyewitnesses who are familiar with accused Datu Unsay such as Rasul Sangki, Akmad Abubakar Esmael, Anok Akil, Norodin Mauyag, and Sukarno Badal categorically declared that they saw said accused in Saniag, Malating, and Masalay on November 23, 2009. At the risk of being repetitive, the court must remind again the accused that not only was he merely sighted, witnesses claimed that he was seen performing overt acts significant to the realization of the crimes charged,” the court said.

Those acquitted were ordered released immediately unless they are being detained for other offenses.

First Smart City for the Masses Launch

(Taytay, Rizal) The first Lakeshore Smart City for the marginalized communities in the Philippines will be launched by Torque Village Development, Inc. in Lupang Arenda, San Juan, Taytay, Rizal, tomorrow Saturday, December 14, 2019, TVDI Chairperson and President Leo S. Duque announced.

TVDI or Torque Cities will pioneer this venture to strengthen deprived communities, initially, in the fringes of Rizal province and Metropolitan Manila by expanding home ownership, supporting business development, and by improving idle lands, Duque said.

Lakeshore Smart City is a high-quality, affordable, sustainable housing and business space for the poor sectors of our society as part of the government’s program in expediting the relocation or settlement of informal settlers along Pasig River pursuant to Proclamation No. 704 of former President Fidel V. Ramos.

Also, this program of Torque Cities is in line with the Laguna de Bay Basin Master Plan towards climate resilience and sustainable development.

Lakeshore Smart City will ensure the availability of healthy, clean and safe food, water and other basic needs of families and institutions as well as solve the perennial problems on waste, traffic, pollution and flooding in the area. It will be a community of peace, hopefully, free from drugs, crime and corruption.

“First beneficiaries of Torque Cities’ Lakeshore Smart City are 1,000 indigent families and 1,000 poor uniformed personnel”, TVDI Vice President Chaplain Frederick B. Berry said, “They will be provided with decent housing and livelihood opportunities in the midst of a livable, workable, sustainable city of ecology village, condominiums, amusement and creative parks, agro-forests, commercial and industrial facilities and modern port area.”

TAYTAY, RIZAL-AGAD na nagpalabas ng mensahe si Taytay Mayor Joric Gacula at ipinamalas niya sa Face Book (FB) ang kanyang pagkabahala at isang babala ang inilabas nito upang ipaalam sa mga lehitimong may ari ng lupa sa may Floodway B papuntang C6 ang kaganapan ng mag launch ang lakeshore Smart City na pinamamahalaan ng Torque Village Depelopment, Incorporated (TVDI) sa isang pagpupulong na ginanap sa may Floodway B C6, taytay, Rizal.

Ayon kay Mayor Gacula doon sa naka post sa Facebook (FB) na ngayon lamang pumasok ang mga di kilalang sindikato ng Lupa at nag set up ng Stage, Tarpaulin Backdrop mga mono block chairs na kasama ang TV5 media at iba pang radio station media personnel at nag lunch ng di umano ay

Lakeshore Smart City, sila ay mga taga ibang bayan at walang maipakitang mg titulo ng lupa.

Ayon sa alkalde ay nakabantay umano ang Public Safety Office, GSO, Taytay PNP SWAT kanila kung may masama silang gagawin sa mga Lupa, subalit sa pagkakataon noon ay nagpupulong lamang ang TVDI para sa launching ng isang miyembro lamang ng Torque Village Development, Incorporated ang mga naroon.

Sinabi rin sa FB na ang TVDI ay nagsagawa ng program at launching ng isang real estate development na maaring gawing panloko sa mga balak bumili ng lupa. Kasama umano nila base sa FB ay ang mga Army Reservist at mga PNP enlisted personnel na baka umano ay masayang lang ang pera na ibabayad dahil nga umano ay pag-aari ng mga Taytay ang lupang nabanggit at pwanag

TAYTAY MAYOR JORIC at TVD

mga titulado na.

Ayon sa nakasulat sa FB ay inatasan ang mga tauhan ng PNP Taytay na ikulong ang mga tao na noon ay nagmimeeting subalit ayon naman sa PNP ay hindi pa daw pwedeng ikulong ang mga ito hanggat hindi gumagawa ng hakbang para kunin ang lupa.

Ayon sa nakasaad sa FB na ipinarating na ang kaganapan kay Rizal Governor Nini Alcantara-Ynares at Laguna Lake Development Authority (LLDA) Gen. Manager Joey Medina.

Nakasaad sa FB na “Nananawagan kami sa mga may lupa na maglagay ng bantay at pabakuran na ang inyong mga lupa. Mapanganib at Organisado and Sindikato na ito na ang pinapakita ay permit mula sa Brgy. San Juan, Cainta, Rizal, samantalang sa Taytay sila nag tipon”

Ayon naman sa pamunuan ng TVDI na ang kanilang paglalaunch ng isang programa ay para sa mga maralitang Pilipono lamang na magiging miyembro ng SMART City.

Ayon pa sa pamunuan ng TVDI na ang kanilang paglaunched ng isang pro-

grama ay para sa proyektong pabahay sa mga maralitang Pilipino na kasalukuyang ay pawang nakatira sa mga tabi ng ilog ng Pasig sa tabi ng lawa at stero ng Laguna at iyon ang dahilan para isagaw nila ang nasabing proyekt.

Sinabi ni Chaplain Frederick B. berry, na siya ring chairman ng kumpanya na ilang beses na sila pumunta ng personal na tanggapan ni Mayor Joric upang magbigay ng sulat paabiso, subalit sila man ay binabastos ng nasabing alkalde.

Ang lupang pagtatayuan ng Smart City na may lawak ng 150 hektarya ay titulado at ang titulo ay kasalukuyang hawak ni Leo S. Duque na siyang binigyan ng karapatang ng mismong may ari ng lupa na kasalukuyan ay matanda na.

Ayon pa sa kanila na ang itatayong SMART City ay isang modernong pamayanan na mayroon ng mga paaralan at hospital, maging mga department store at palengke ay naroon na at hindi na maghihirap ang mga nakatira dahil libre na ang ilaw at tubig at iwas sa mga kalat ng basura at higit pa dito

ay may sariling pagkukunan ng pagkain na hindi na lalabas ng pamayanang upang bumili ng pagkain ang mga residente.

Ilan din sa mga opisyal ng gobyerno ang pinadalhan nila ng sulat paanyaya para sa mga tunguhan ang pagla-launch subalit, dahil nga sa malapit na ang kapaskuhan ay pawang abala na ang mga ito at tanging si DAR Undersecretary Virginia “Gee” Orogolamang ang nakadalo at nagbigay ng suporta.

Nagpahayag din ang Malakanyang ng suporta sa pamamagitan ni Senador Bong Go na nagpadala nang lang ng isang mensahe sa pamamagitan ng videotape recording dahil hindi rin nakarating.

Samantala, sinabinaman ni TVDI Chairman at President Leo S. Duque at Chaplain Berry na nakahanda silang sapamapahan ng kasong Cyber Libel si Taytay Mayor Joric Gacula upang bigyan umano ng hustisya ang nasira nilang mga pangalang sanhi ng mapanira na paglahad ni Mayor Gacula sa Facebook.
